Dear Tawana :

Per your request of Friday, I attach a Certificate of Service reciting both the U.S. Mail service (apparently lost) and the facsimile service which you requested. This is in addition to (not a replacement of) the Rule 25(d)(3) proof of service included in the May 11th Notice of Appeal.

For return date calculation purposes, you can feel free to use the May 27th date you acknowledge actually receiving the Notice of Appeal from me, rather than the date I mailed it to you (May 11th) or the date the Federal Circuit forwarded it to you (sometime during the week of the 16th).
